† Freedom Mobile reduced its Q4 2019 ending balance by 10,914 due to previously unreported cancellations, comprised of 3,821 postpaid and 7,093 prepaid subscribers.

§ As of October 1, 2019, Rogers adjusted its subscriber base to remove 53,000 postpaid subscribers associated with a low-ARPU public services customer in the process of migrating to another provider.

† At the end of Q4 2018, Bell reported 9,610,482 prepaid and postpaid wireless subscribers. At the beginning of Q1 2019, Bell removed 167,929 subscribers as follows:

- 65,798 subscribers (19,195 postpaid and 46,603 prepaid), due to the completion of the shutdown of the CDMA network on April 30, 2019;
- 49,095 prepaid subscribers as a result of a change to our deactivation policy, mainly from 120 days for Bell/Virgin Mobile and 150 days for Lucky Mobile to 90 days;
- 43,670 postpaid subscribers relating to IoT due to the further refinement of our subscriber definition as a result of technology evolution; and
- 9,366 postpaid fixed wireless internet subscribers which were transferred to our retail high-speed internet subscriber base.

†† Effective April 1, 2019, Rogers removed 127,000 prepaid subscribers as a result of changing its deactivation policy, from 180 days to 90 days, to be more consistent with the industry.

††† TELUS's Q4 2018 opening mobile phone subscriber connections were adjusted to exclude ~23,000 subscribers impacted by the final June 2018 CRTC pro-rating ruling, which went into effect Oct. 1, 2018. Q2 2018 and Q4 2018 mobile phones were additionally adjusted to reflect temporary subscribers in connected devices, instead of mobile phones.

* SaskTel reports on a fiscal calendar beginning April 1, 2018, ending March 31, 2019.

** SaskTel, TELUS and Vidéotron do not breakdown prepaid and postpaid subscribers.

Source: Company Reports

*** Total subscribers is not inclusive of 1,420,000 subscriptions reported by TELUS as M2M or connected devices in relation to the Internet of Things (IoT).

† Total Subscribers at end of Q4 2019 is less than the sum of Total Subscribers at beginning of Q1 2019 + Net Additions for 2019 because of the removal of subscribers from the subscriber bases of certain providers, as referenced above.

This list only includes Canadian providers who publish subscriber data and does not contain additional numbers for providers who do not publish such data, e.g. Eastlink or Tbaytel. Totals for Bell, Rogers, TELUS and Vidéotron include their respective flanker brands.
